

# NEIL FRANKLAND SQUASH EVENTS 2010

As the Surrey County Coach, a Part 4 Elite Performance qualified Coach an International Player and World Masters 2006 finalist, I have taken the 'Squash Course' up a level using my experience and knowledge of the game. I have been playing Squash for 30 years and successfully coaching for 18 of those. In 1998 I held my first Squash Course and I have developed an exciting and innovative programme that will enable any club, team, County or National Squash Player to advance their game in a fun but serious environment. With the use of video analysis and personal coaching on strategy and tactics, each student will be given the opportunity to improve their technique, agility and versatility.

The majority of my squash courses are held at Epsom College but following many requests I have decided to extend my events this year and am now holding additional day courses at Nuffield Health and Woking Squash Club.

Each course is designed to be completely unique in its theme and my team consists of qualified coaches and PSA professional players who each provide an excellent mix of coaching skills and knowledge of the game. Other sporting activities are included in my Epsom course programmes and the evenings are structured but relaxed with lots of fun on both the junior and adult courses!

Both Adult and Junior courses have been fully booked for the past 4 years and Juniors and Adults alike have enjoyed the whole experience of improving their Squash in such a fantastic environment. Here are some past testimonials:

*"Neil and his team put a lot of effort into making sure the whole weekend was a sociable and easy-going event. There was a terrific camaraderie amongst the group right from the start".*

**Colin Watson, Surrey Cup Team Captain 2009.**

*"I have been going to Neil's Camps now for the past 6 years and have enjoyed them all. They are great for improving your Squash but best off, they're fun!"*

**Elliot Knight Kent U17 No.1**
